If a book is worth the paper it's printed on... it's worth Warren.

If a biography is worth the paper it's printed on... it's worth Warren.

You're looking at a new shade of our Olde Style Wove Offset, 60 lb. (392 ppi). We're sure that your hand and your eye will tell you more than any words about the mellow, refined surface of this versatile paper. One valuable quality, however, is not apparent: Olde Style Wove is acid-free like all of our many publishing grades. This means that any book printed on a Warren paper has built-in permanence at no extra cost.

For the rest of our story, your Warren merchant is the expert. S. D. Warren Company, a Division of Scott Paper Company, 225 Franklin Street, Boston, Massachusetts 02101.
